2004 MOUNTAIN AIRE
CLASS A/DIESEL PUSHER BY NEWMAR

Destination: New England, Early Fall
It’s not always a matter of reconciling tradition with revolutionary ideas or practicality with artistry. More often than not, it’s about finding a balance. You’ll see that in history. And you’ll see it in Newmar’s 2004 Mountain Aire Class A and Diesel Pusher motorhomes: in the chassis and power options... the numerous luxury features, including this year’s expanded interior space... and the exterior’s gorgeous Full-Paint Masterpiece Finish,™ standard on both coaches. With Mountain Aire, Newmar’s designers and engineers have reinterpreted classic design elements in innovative ways. The result is both contemporary... and timeless.
Generous cabinets and Corian® countertop space, plus an open, airy layout, make this diesel pusher kitchen a model of convenience.

A handy flip-up/flip-down countertop extension increases work space, and the stove top’s sealed burners clean easily, since they don’t trap food.

This plush, accommodating, family-style U-dinette makes a wonderful setting for meals, conversation or gaming.

A more intimate setting for a snack or a cup of coffee and small talk is provided by this model’s living-area dinette with freestanding chairs.
October 3 ~

Took the Freedom Trail Walking Tour through Boston’s famous Revolutionary War sites, including Boston Common, the Paul Revere House and the Old North Church.
A. The living room slideout opens up floor space in this year’s already larger interior. Notice also the elegant window treatments and the double U-sofa/dinette combination with pullout storage drawers in the base. For even more comfort and utility, the sofa includes an incliner and can serve as an extra bed.

B. This newly designed diesel pusher dashboard, with its easily accessible controls and gauges, puts you in firm command of the road.

C. An extra touch of beauty and sophistication is provided by this model’s sculpted carpet.

D. A Sony® color TV with a 32” plasma flat-screen is optional in this living-room entertainment center.
October 5

Visited Gene’s brother and his family in Lowell, calling America’s first big industrial city. The woods surrounding the town are glowing with red, orange, and golds!
A. The Mountain Aire bedroom is notable for its plentiful cabinets, room-expanding mirrors, comfortable bedding and designer headboard. 
B. Featured in the private bathroom is a generous vanity, a mirrored medicine cabinet and a fiberglass shower surround with a decorative door. 
C. This model is graced with an attractive window seat on a cabinet base featuring two storage drawers. 
D. Standard in the bedroom is this advanced 19" Sony® flat-screen color TV with its own built-in cabinet shelf. 
E. This rearview monitor in the cockpit clearly lets you see what’s going on behind your coach during backup maneuvers.
NEWMAR’S FREEDOM WARRANTY™

Your Mountain Aire Class A or Diesel Pusher Motorhome is built to take you as far as your road rolls on... for as long as you roll on with it. Because there’s more than enough solid engineering here to ensure years of travel pleasure.

Mountain Aire is assembled on the same production line, to the same exacting standards and with the same meticulous care, as all Newmar motorhomes. It also embodies Newmar’s long history of product innovation and industry “firsts.” For us, it’s a matter of pride. And tradition. Of taking personal responsibility and building a product that each of us, ourselves, would want to own.

As proof of our commitment, we back every motorhome we make with a three-year/36,000-mile (Class A) and 50,000-mile (Diesel Pusher), bumper-to-bumper limited warranty: The Newmar Freedom Warranty. Ask your dealer for details. You’re sure to find coverage this comprehensive a truly liberating experience.

TRUE CENTRAL AIR: Newmar’s True Central Air System—standard with every Newmar RV—is just like those found in most site-built homes. It’s actually two separate, fully ducted systems: one to distribute incoming cool air, the other to quickly and effectively remove warm air from every living area.
A. Large, powered sideview mirrors
B. Two new options for 2004: broadband Internet access and a low-profile satellite TV antenna
C. Accommodating storage compartments with hydraulic piston-supported doors
D. Now standard on Class A: more powerful Generac® 7.5 kW generator with auto-changeover
E. Attractive fiberglass end caps
October 9 ~

Took a scenic drive through the White Mountains, following the course of the Androscoggin River. Gorgeous—definitely the time of year for this trip.

INTERIOR COLORS

A. Royal Blue
B. Raw Silk
C. Antelope
D. Verde

Here you’ll discover the latest model specifications, floor plans and options, as well as information on who we are, how we work and what we believe in.

Real woods will have variations in grain and color. Natural wood products will darken over time.
The Full-Paint Masterpiece Finish from Newmar creates an exterior of stunning beauty and incredible endurance—a true work of art. Newmar is an industry leader in applying full body paint to its coaches. We are pleased to offer it as an option on your Mountain Aire Class A or Diesel Pusher.

EXTERIOR COLORS
(ALL UNITS ARE FULL-PAINT)

A. Chestnut (Class A)
B. Steel Blue (Class A)
C. Topaz (Class A)
D. Rainforest (Class A)
E. Raw Silk (Diesel Pusher)
F. Royal Blue (Diesel Pusher)
G. Antelope (Diesel Pusher)
H. Verde (Diesel Pusher)
THE NEWMAR KOUNTRY KLUB

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. 2004 MOUNTAIN AIRE
CLASS A/DIESEL PUSHER BY NEWMAR

Destination: New England, Early Fall

NEWMARCORP.COM
# Specifications

## Class A Standard Features

### Motorized Chassis Features
- Cruise Control
- Stainless Steel Wheel Simulators
- Tilt Steering Wheel
- Workhorse® W-22 Chassis

### Air Conditioning & Heating
- Two 13,500-Btu Penguin® Central Air Conditioners
- LP Leak Detector
- Dash Heater and High Output Air Conditioner
- LP Furnace with In-Floor Ducted Heat

### Appliances & Accessories
- Ten-Gal. Gas/Electric Water Heater with Direct Spark Ignition
- Spacesaver Microwave
- Flat Screen Color TV in Living Area
- Flat Screen Color TV in Bedroom
- Three-Burner Recessed Range with Glass Oven Door and Electronic Ignition
- AM/FM Dash Radio with Compact Disc Player
- Dometic® 3862 Refrigerator (8 Cu. Ft.)
- Rearview Color Monitor System
- TV Antenna with Power Booster, One Exterior Jack and Two Interior Jacks
- VCR and TV Video Selector Switch
- Cable TV Connection with RG 6 Coax
- Satellite Prep (Phone, TV Jack and Recept)
- Trumpet Horn
- Speaker Switch System
- TV Antenna Warning Light on Dash

### Cabinets & Furniture
- Flexsteel® Leather/Vinyl Front Seats with Six-Way Power, Ergo Flex Arms and Power Lumbar
- Flexsteel Swivel Rocker Recliner
- Flexsteel Sofa With a Drawer
- Drawers with Metal Guides
- Hidden-Leaf Dinette Table with Two Fixed Chairs and Two Folding Chairs
- Oak Hardwood Cabinets with Raised Panel Double-Arched Doors
- Corian® Countertop in Kitchen with Undermount Acrylic Sink and Flush Sink Covers
- Corian® Countertop in Bathroom with Porcelain Bowl
- Lifts on Bed Top to Access Storage Area

### Electrical Features
- 75-amp Converter
- Battery Disconnect for House Batteries
- 7,500-watt Guardian® Generator with Remote Switch and Automatic Changeover
- 5-watt Solar Panel to Charge Chassis Battery
- 50-amp Electrical Service with Flexible Cord
- Emergency Engine Start Switch
- Exterior Security Lights, One Installed on Each Side
- Lights in Exterior Storage Compartments
- Daytime Headlight System
- Lights in Wardrobes
- Solar Prep, 10-gauge Wire from Roof to Battery Compartment
- ICC Light Flasher Switch
- Driving Lights
- Interior Courtesy Lights
- Midship Side Turn Signals

### Exterior Features
- BriteTek® Roof with 7mm Decking
- Convex Exterior Mirrors with Remote Control and Defrost
- Gel-Coated Fiberglass Exterior Sides
- Class 3, 5,000 lb. Hitch
- Hydraulic Leveling Jacks with Touch Manual Control
- Fully Painted Exterior Graphics with Clearcoat Finish
- Front Protective Film

### Plumbing & Bath Features
- Exterior Shower, Located on Off-Door Side
- Monitor Panel
- Sewage Holding-Tank Rinse
- SeaLand® 500+ China Stool
- Fiberglass Tub/Shower with Glass Shower Door
- Water-Heater Bypass System
- Demand Water System with Aquajet® ES Pump

### Construction Features
- Aluminum-Frame Sidewalls and Roof Construction, 16” On Center
- Roof R-Value Rating: 16
- Sidewall R-Value Rating: 11
- Floor R-Value Rating: 11
- 5/8” Foam Insulation Laminated in Sidewalls and Ceiling
- R7 Fiberglass Insulation in Sidewalls and Floor, R11 in Roof

### Windows, Awnings & Vents
- Double-Pane Tinted Safety Glass Windows
- Automatic Double Entrance-Door Step
- Power Vent in Bathroom with Wall Switch
- Fan-Tastic™ Vent with Rain Sensor in Kitchen Area
- Skylight in Bathroom
- A&E® 9000 Side Awning

## Class A Optional Features

### Motorized Chassis Features
- Polished Aluminum Wheels

### Appliances & Accessories
- 30” Convection Microwave with Three-Burner Cooktop (13 lb.)
- Norcold® Four-Door Refrigerator (45 lb.)
- Dometic® 1062 Refrigerator, 10 Cu. Ft. (91 lb.)
- Dometic i292 Refrigerator, 12 Cu. Ft. (47 lb.)
- U-Line Icemaker (57 lb.)
- CB Radio (2 lb.)
- Washer/Dryer Prep
- Compact Washer/Dryer (85 lb.)
- Two-Piece Washer/Dryer (232 lb.)
- External Entertainment Center (40 lb.)
- XM Satellite Radio Capability (2 lb.)

### Cabinets & Furniture
- Coastal Cherry Hardwood Cabinets
- Summer Maple Hardwood Cabinets
- Washington Cherry Hardwood Cabinets (25 lb.)
- Built-In Booth Dinette (23 lb.)
- Combination Desk/Dinette Table (60 lb.)
- Undermount Solid-Surface Sinks in Kitchen and Bathroom (25 lb.)
SPECIFICATIONS

CLASS A OPTIONAL FEATURES, continued

**Lengths, Heights, Widths and Dry Weights are approximate. Weight will vary based on optional equipment added to the above base weight.**

- **GAWR:** Gross Axle Weight Rating is the maximum permissible weight for an axle.
- **GVWR:** Gross Vehicle Weight Rating is the maximum permissible weight of a fully loaded motorhome.
- **GCWR:** Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motorhome and any towed trailer or towed vehicle.
- **UVW:** Unloaded Vehicle Weight is the weight of this motorhome as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, LP gas or dealer-installed accessories.
- **NCC:** Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, LP gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorhome.
- * Specifications supplied by chassis manufacturer.
THE NEWMAR KOUNTRY KLUB

As a Newmar owner, you qualify for membership in the Newmar Kountry Klub. Join your local chapter, and just look at the perks you’ll enjoy: friendship, fun and adventure with other Newmar owners • rallies and caravans • special RV show events • discounts on RV services • a free monthly Klub magazine • Klub merchandise. And that’s just for starters.

Join today! Call 877-639-5582, toll-free, or visit the Klub section of newmarcorp.com.

THE NEWMAR FACTORY TOUR

We’d love to have you visit our state-of-the-art production facility in Nappanee, Indiana. For details, including tour days and times, please call 574-773-7791.
