DUTCH STAR

2016 DIESEL MOTOR COACH

NEWMAR | 2016.DUTCH.STAR

NEWMAR
WHEN YOU KNOW THE DIFFERENCE
As one of the industry’s most iconic names, the legendary Dutch Star is in a league of its own. Combining high-end luxury features, breathtaking exterior styling, ample power and a wide variety of floor plan options, Dutch Star has remained one of North America’s best-selling diesel coaches year after year.

The 2016 Dutch Star is engineered to outperform and outdeliver every other motor coach in its class. More Floor brings full tile flooring to the flat-floor slide outs in the kitchen, living area and master bedroom. The all-new STAR Foundation adds strength and support to an already stout Freightliner® chassis. Finally, Dutch Star boasts Newmar’s Cathedral Ceiling, which adds six inches of additional headroom in the rear master bath.

“As President, I want our customers to know how passionate we are about the RV lifestyle. To us, it’s more than our business – it’s our passion. I myself am proud to own a Dutch Star built by people who have spent an average of 13 years with Newmar. People who demonstrate their commitment to industry-leading service and quality time and time again. Without them, The Newmar Difference simply wouldn’t exist.”

MATT MILLER
President, Newmar Corporation

BUILT TO A HIGHER STANDARD
Redesigned Flexsteel® furniture featuring Strada leather by Ultrafabrics®
New Cathedral Ceiling featured on select bath-and-a-half models
10 unique floor plans, including a wheelchair-accessible layout
Comfort Drive™ Steering System featuring Passive Steer technology
Up front, an all-new 6-speaker JBL® premium cockpit audio system is custom-tuned to deliver an incredible sound experience. Steps away, an 84” Flexsteel® Hide-a-Bed sofa with T elevator and Euro-booth dinette combine with a 48” Sony® LED TV with surround sound. It’s everything you need to sit back, relax and enjoy the show.
The 2016 Dutch Star is far from vanilla, providing you with a galley full of flavor and detail. Stainless steel appliances – including an available Whirlpool® refrigerator and dishwasher – bring you residential-quality convenience, while an expansive wood pantry and pull-out cabinet help keep kitchen clutter to a minimum.

Showcasing a refined sense of style, Dutch Star’s two-tone tapered glass mosaic backsplash and accented solid surface countertops are the perfect complement to new 18”x18” diagonal tile flooring that expands into all flat-floor slide outs.
An irresistible setting for quality rest and relaxation, the 2016 Dutch Star’s master bedroom is every bit a serene oasis. Adjustable LED lighting illuminates the all-new Prism décor, while a custom bedspread, accent pillows and carved hardwood headboard adorn a King bed with plush pillow-top mattress.

You’ll find room for your Sunday best and much more inside a sizable wardrobe that features a new Sable Maple wood finish and plenty of lighting throughout. Should you seek a bit of entertainment before drifting off to sleep, turn to the 32” Sony® LED TV with Blu-ray player for a mesmerizing, crystal-clear escape.
Dutch Star is a place where gorgeous form meets incredible function, beginning with the new Cathedral Ceiling. An engineering marvel, Cathedral Ceiling creates an additional six inches of headroom in the rear master bath despite being nearly invisible from the outside.* Down the hall, a mid-cabin half-bath is designed to accommodate each of your guests.**

Speaking of accommodations, every Dutch Star master bathroom features a stylish new faucet and polished solid-surface countertop, while select floor plans offer his and hers medicine cabinets and a twin-sink vanity. A full-glass shower comes decorated with maintenance-free Sentrel™ acrylic walls and an exceptional fold-down teak hardwood shower seat.

*Cathedral Ceiling not available with floor plan 4312
**Mid-cabin half-bath available with select floor plans
Newmar’s latest wheelchair-accessible floor plan, Dutch Star 4311*, features a remote-controlled BraunAbility® lift and access door, extra-wide aisles throughout, a power-adjustable dining room table, spacious master bath with roll-in shower – and that’s just the beginning.

*2015 Toffee décor shown

ACCESSIBILITY WITHOUT COMPROMISE

Extra-Wide Aisleway from Front to Back
Visually striking, Dutch Star's exterior has much to offer even the most discerning RVers. Complete with a wind sensor, remote control and LED lighting, the Girard® power side awning acts as the perfect cover for a newly available hammock. Meanwhile, an optional sidewall entertainment center packs a 40" Sony® LED TV with soundbar.

Built on a Freightliner® tag axle chassis featuring an HWH® hydraulic leveling system, Dutch Star is further solidified by Newmar's all-new STAR Foundation, a groundbreaking steel superstructure that is added to the chassis for enhanced durability. Equipped with Newmar's Comfort Drive™ Steering System with Passive Steer technology, the 2016 Dutch Star is unlike any motor coach you’ve ever driven.
Dutch Star, all-high performing motor coach, has a Freightliner® Custom Chassis with independent front suspension, an HWH® hydraulic leveling system and added support from Newmar’s all-new STAR Foundation. Its tubular truss web frames and substructure beams form a foundation stable enough to allow extensive pass through storage. This allows Dutch Star to expand beyond its chassis footprint, creating extra living space. Its Cummins® ISL diesel engine produces 450hp, delivering incredible maneuverability and power, even on steep inclines. And if you should ever need it, Freightliner Custom Chassis’ roadside assistance program is in place for the entire warranty period.

NEWMAR EXPRESS LIMITED WARRANTY

Every Dutch Star Diesel motor coach is backed by Newmar’s one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floor plans are subject to change at Newmar’s discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
